Grasshopper Menace

Vacant Lands Intensifies The Danger

Here Is Only One Example And There Are Hundreds Of Others
It Is Reported That

Only 2 Sections of Land Are Occupied

Farmers! Get Your Locals
To Rouse The Government To Action
Or You May Lose Your Crops
In Spite Of All Your Hard Work

The Best Way To Save Your Crops
Is To Put The Poison Bait Out In The Early Morning

Lands are often held by "Profiteers" who are simply holding big tracts of Vacant Lands, waiting to get "Big Prices" for them—and nobody knows who owns these Vacant Lands—only the "Land Titles Office" knows the "Absent Owners"

Farmers! What about the Vacant School Lands, Hudson's Bay Lands, Combes, and many other Vacant Lands, in all the Districts around us, who is going to be "Responsible" to put down the "Poison Bait" on these Lands and Show Intense Interest to Exterminate the Millions of Grasshoppers on them?

Put it in Your Locals to rouse the Government to "Real Intensive Action". Ask your Locals this question: "What is the good of the Farmers slaving themselves to death to put in a Crop, also carefully putting out Poison Bait

Memorial Service

"The Bow Island and Burdett Reviews" have been asked to publish in their "Reviews" the following "Announcement of a "Memorial Service" on June 11th. in honor of our Heroes who fell in the Great War, fighting Loyally for the great principles of "Real Justice and Equity to all Men"

For Announcing such a worthy Meeting, the "Review" publishes it "Free of Charge"

"The Review" "Salutes" with dimmed eyes, the memory of those long lines of Heroes, and to the stirring strains of "Onward Christian Soldiers," played by a Heavenly Band, may they marshal in Battle Array under the Golden Banner of their Eternal Leader, to fight again the "Good Fight" against the Hordes of Sin and Wickedness and Injustice

They are not Dead—They liveth for Evermore

Great War Veterans' Association

To Hold

"Memorial Service"

On 11th. June

Taber Miners' Band to be in Attendance

The local Great War Veterans' Association have arranged to hold a Memorial Service in honor of the Fallen Dead of their Comrades in Arms during the late War. Sunday, June 11th. is the date fixed

The Taber Miners' Band have kindly consented to furnish the necessary Music and Invitations have been extended to all surrounding Locals of the G.W.V.A. The Service will be held in the Park at 3 p.m. (weather permitting) and will be in the nature of a Military Church Parade.

Rev. C. G. Hoekin will conduct the Service.

A general Invitation is extended to all Veterans not otherwise notified, to join in this parade, as well as to the general Public to attend the Service

The Taber Miners' Band intend holding a Sacred Concert in the G.W.V.A. Hall at 8 o'clock in the evening to which the public are cordially invited to attend

It is to be hoped that the Citizens of Bow Island and District will take advantage of the opportunity to hear this Band also to join with the Great War Veterans in perpetuating the memory of the many fallen Heroes of the Great War

Out-Of-Town

"The Lethbridge Herald" gave a fine display of its keen sense of "Justice to All Men" in its issue of last Saturday the 27th. May 1922 (See page 13)

It is such things as this, that gives just that "One touch of Nature that makes the whole world kin" and leads Towns to "Real Progress"

May such "Sterling, Manly, and Upright Principles" long remain the "Ideal and Guiding Star" of the "Lethbridge Herald"

All Citizens may well strive to Emulate that worthy spirit of "Justice" shown by the "Herald"

The following are the paragraphs quoted from the "Herald"

Advertising Towns

Not a single piece of mail matter should leave your Town without a Slogan Seal printed thereon. A special Slogan, selected in a Contest, should be worked into a Design and always used by printers Local of Course, for "No Job Printing Should Be Done Outside Of Town."

Methods of Advertising a Town will appear as soon as the Citizens Attempt Something. The important item is to begin and keep a-going, when ways and means will be developed rapidly.

Commercial Clubs could well afford to run a Page Advertisement in their Local Papers regarding Home Industrials. If an Industrial Show pays locally, so will Local Advertising; it is all Education in Local Loyalty.

Bow Island News

Base ball was played at Bow Island last evening Thursday between Bow Island and Foremost. The score being 10 to 18 in favor of Bow Island. L. Hopkins pitched the first inning but owing to him being away from base ball for 4 years he retired in favor of J. Holder of Winifred who then won also had the assistance of Harry Winifred. Shortstop and Billy McLean who commanded back of the bat. we also had three of Burdett players. Mansfield at 3rd. Burns at 2nd. and Gene Emond at 1st. Our locals B. Bateman, H. Nevers and C. Bateman commanded the field. We will say that we had some very good support from all of the visiting players, we'll try it again boys.

The Gate Receipts were good.

The Bow Island Baseball put on a Dance last evening Thursday, there was a splendid attendance.

Mr. C. F. Henry left yesterday Thursday on the evening train for St. Paul, Minnesota on a business trip. We expect to see Mr. Henry back before the harvest this fall. Mrs. Henry and daughter Marie will stay on their farm here until Mr. Henry's return when all intend moving to the States.

The United Ladies Aid met at the home of Mrs. M. D. Schenert on Thursday last, the hostesses being Mrs. Mary D. and Mrs. H. I. Schenert.

After the usual meeting a pleasant afternoon was spent by the ladies enjoying a very nice lunch which was daintily served.

Mrs. W. Forsythe and Baby Jean of Kellogg, Sask. are visiting with Mrs. L. M. Cullen here for a week.

Mrs. and Mrs. Roach spent Tuesday in Lethbridge.

Mrs. Peever returned on Sunday evening from Brooks where she has been visiting with her husband for about a week.

Mr. and Mrs. Svensson returned on Friday from Calgary and report a fine time, taking in the 26th May Celebrations while there, and they say the Races were excellent.

Arthur Avery went last Saturday to see the Dentist, Dr. J. Zimmerman at Taber, to have some teeth attended and filed.

From actual experience we would say, "if you have any trouble with your teeth, don't delay but see Dr. Zimmerman at once and you will get the finest treatment and the most skillful attention that it is possible to get," and the Prices he charges, we consider very moderate.

Taber, we think, is very fortunate to have such a 1st Class Dentist located in their Town—Bow Island would be lucky to have such a good Dentist to come and open up a Practice here.

Lucky Escape from Serious Accident

BOW ISLAND, May 25.—What might have been a serious accident happened to Mr. Squires, Miss Matson and Miss Heise as they were motoring to Foremost to attend the celebration last Wednesday. As they were starting down the big cut just this side of Foremost the car became unmanageable and they went over the bank, the car turning over and throwing them out. No one was hurt, but the car was damaged to quite an extent. This part of the hill is quite steep and unless one is acquainted with this side of Foremost the car became unmanageable and they went over the bank, the car turning over and throwing them out. No one was hurt, but the car was damaged to quite an extent.

CANADA AND THE WEST INDIES

(1) The Parade, Havana, a beautiful boulevard. The walks are in the centre with a street on each side. (2) Mr. Santa Maria's office, the Canadian Pacific Agent at Havana. (3) Luminous fountain at Havana. (4) The "Empress of Britain" erected for the firmen of Havana. (5) The President's Palace, Havana. (6) The "Empress of Britain" on her first trip south. (7) A scene on board the "Empress of Britain." (8) Scene in Havana Harbor.

A new departure in Canadian Pacific shipping is the inauguration of winter cruises to the West Indies and the commencement of a regular service to Havana and Kingston, Jamaica. There is considerable trade between the island of the Caribbean and Canada, particularly in sugar and to bauxite, and the fact that so many of these islands are part of the British Empire makes this closer steamship connection with Canada all the more interesting.

The "Empress of Britain," which left New York on her first cruise to the West Indies on January 21st, will make her second on February 21st and is already well booked. The ports of call include Havana, Cuba; Kingston, Jamaica; Colon, Panama; La Guayra, Venezuela; Port of Spain, Trinidad; La Brea Point, Trinidad; Barbados; Port de France, Martinique; St. Pierre, Martinique; St. Thomas, San Juan, Puerto Rico; Nassau, Bahamas, re-

turning to New York. There will be excursions ashore at the various ports, conducted by representatives of the Canadian Pacific, which will give unusual opportunities for seeing points of interest during the 21 days of each cruise.

The "Empress of Britain" was selected for these cruises by reason of the fact that she is not only a luxurious ocean liner of the most modern type, but the largest steamship making the West Indian cruises, with a registered tonnage of 18,900 tons and a displacement tonnage of 22,200 tons. One outstanding feature is that her engines are oil-burning, a feature that will appeal to all those who have experienced the dust and dirt of coal-burning tropical ports.

This is the first time that the Canadian Pacific has used New York as a port of departure for its West Indies service, although twelve steamships service, although twelve of the Atlantic fleet carried troops of Britain during the war by U.S. ports.

The last time that the "Empress of Britain" sailed from New York she carried the members of the British War Mission and members of the staff of the Y. M. C. A. and Knights of Columbus. She covered nearly 200,000 miles during her war service, and transported 110,000 troops overseas. She carried thousands of Australians and British soldiers to Gallipoli and was one of the transports assigned to take them away. The "Empress of Britain" being closed, she made a 16 months trip around the Cape of Good Hope with troops for German East Africa, and also for Mesopotamia. She made eight trips across the Atlantic with 5,000 troops aboard. A German submarine launched two torpedoes, one of which, due to a lucky zig-zag, missed the bow by three feet and the other passed a dozen feet astern. At least a dozen attack were made upon the "Empress of Britain" during the war by U.S. boats.

Capt. R. Griffith, R.N.R., is Commander of the "Empress of Britain." G. H. Simpson, chief officer; W. M. Mathison, purser; Dr. Geo. Calne, surgeon; and L. Gadden, chief steward. Arthur Edward Philip, O.B.E., the chief engineer, is senior chief engineer of the Canadian Pacific Steamships, Limited, and was on the "Empress of Britain" throughout the war and has never missed a trip. He was seriously decorated by King George for his services, and is an officer of the Order of the British Empire. His services on transports cover four wars, the Boer and Ashanti expeditions, the South African War and the late war.

The regular service to Havana is carried on by the S.S. "Bicilian," which has already carried many Canadian passengers to and from the West Indies.

Miss Winslow has been Appointed Supt. of Nurses

Miss Victoria L. Winslow who is completing a course in the Graduate Nurses' School at McGill University was appointed superintendent of nurses for Victoria Hospital, Fredericton, at a meeting of the Board of Trustees held recently. Miss Winslow succeeds Miss E. L. Stairs who has resigned. There were other applications but the information given was as full as that given by Miss Winslow who has had extensive experience in Winnipeg and the West and comes with very high recommendations.

Miss Winslow who belongs to Ontario was graduated by Winnipeg General Hospital in 1909. She later was one year in Winnipeg General Hospital Surgical Wing, Miss Winslow also spent some time in Winnipeg Fever Hospital and in the Medicine Hat General Hospital.

In Alberta, Miss Winslow was recognized as one of the leading nurses and for three years represented the Registered Nurses of Alberta on the Senate of the University of Alberta. At present she is completing a course at the Graduate Nurse's School of McGill University, Montreal.

Miss Winslow is highly recommended to the Board of Victoria Hospital by the Montreal General Hospital and the Royal Victoria Hospital of Montreal, Medicine Hat General Hospital Winnipeg General Hospital and Winnipeg City Commission. She also has a recommendation from the American College of Surgeons of Chicago.

She will assume her duties there in a short time.

BURDETT WHITE LUNCH****Comfort for Children at Sea**

The Children's Room on a trans-Atlantic Liner.

IT is not an unusual thing in these days for young children to cross the Atlantic alone. During the last few months the passengers on the trans-Atlantic liners of the Canadian Pacific carried some very young unaccompanied passengers. In such cases the officials and stewardesses of the ship take care and see that the children are well looked after. In fact the children are usually so happy on board that they are glad to have an opportunity of repeating it.

Miss Hilda Kershaw, a girl aged 9 years, made three trans-Atlantic trips. First she went from Liverpool

to Montreal with her relatives. Later she crossed on the "Metagama" from Montreal to Liverpool. She afterwards came from Liverpool to Montreal in charge of a nephew aged three years. Amongst the best friends of this little girl in Captain Gilles of the "Metagama."

A feature of the Canadian Pacific ships is the play room and nursery for children. Here they are provided with all the comforts of home. In case of necessity, medicine and nursing attention is provided. Very often babies are born on board, and the circumstances of their nativity are made so comfortable that they are generally named after some of the

officials or stewardesses of the liner which is the scene of their birth. The Metagama, on which the above photo was taken, is one of the Canadian Pacific ships known as "Monoclass," which means that there are just one class of passengers accommodated, other than storage, as distinct from the ships that carry first, second and third class passengers. These Monoclass ships are comfortable and luxurious, and possess all the advantages that one can desire in travel, from the nursery and playroom for children to an up-to-the-minute daily paper published aboard for those interested in world affairs.
